Notice

No. 18602 /CA., Bhubaneswar, dated the 02.07.18
GAD-CAI-QR-0007-2017

Sub: Submission of relevant information along with modified application.

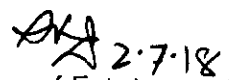

Consequent upon revision of scale of pay after implementation of 7th P.C., it has been decided to change the basis of eligibility of allotment of Government quarters. Accordingly the software of e-Quarters system is under modification. The employees who have registered their names in the e-Quarters on line system were requested to update the information in the modified application form and to submit the same along with the required documents such as pay fixation order, last pay slip and last increment order in the facilitation centre.

But it is seen that only a few number of employees have submitted the filled-in modified application form along with the required documents. The said documents are badly necessary for enabling the employees to exercise their choices for allotment of quarters. All the concerned employees are requested to update the application form and to submit the above required documents at the earliest.
